

Which road are you on?  
How does your future look?

Sometimes the main road isn't the road for everyone.

The **Virtual Learning Center** has a wide variety of opportunities to help you down the road and across that stage at **graduation!**

Sometimes we take a path that few have taken before.

We here at the **Virtual Learning Center (VLC)** understand that students sometimes need a different path to reach their goal of **graduation.**

We offer:

- Individualized Computer Instruction
